

# Appendix to Standard License Agreement

## Blank example

Appendix number: SLA YYYY-NNN-some-text

Effective as of DD Month YYYY (Effective Date)

---

With respect to the MRTech SK Standard License Agreement (SLA) <https://mr-te.ch/sla>, the Appendix identifies the Licensee and describes the terms, conditions, rights of use of the Licensed Software:

1. The Licensor: MRTech SK, s.r.o.
  - Address: Hasiccka ulica 1882/30A, 951 15 Mojmirovce, Slovak Republic
  - Company ID (IČO): 47597372
2. The Licensee: Licensee business name
  - Licensee address
  - Licensee Company ID
3. Licensee authorized personnel:
  - person 1 name and email
  - person 2 name and email
4. Licensed Software: e.g.
  - IFF SDK Image processing library in binary form for the Target system
  - Engineering License
5. Target System:
  - This is usually project/system name with details such as:
    - Computer platform: e.g. computer platform name, GPU model, operating system, etc.
    - Cameras: e.g. camera manufacturer, camera model, and camera number per system  
Serial numbers and/or MAC addresses of the hardware may be specified in the names of separate \*.enc files which is a part of delivery.
6. Number of the Target systems (installations)
7. Validity: a period of time e.g. 1 year or Perpetual
8. Application area: Worldwide
9. Delivery method: Licensed Software and documentation in electronic format acceptable to the Licensee via Licensor cloud server as of the Effective Date
10. Support: e.g. Standard Support that includes:
  - Email support together with update/upgrade of the software if needed
  - System/software/integration consulting, support regarding the work done with limited hours
  - Support for two designated callers  
Support is done remotely via email or teleconference at an agreed time.
11. License fees and support cost according to order and invoice  
The Licensee has to pay to the Licensor for the right to use the Licensed Software listed in this Appendix remuneration which is indicated in the invoice. Fees are inclusive of tax, duty, and shipping costs.

---

In accordance with the terms and conditions of the SLA the Licensee is granted an ordinary (non-exclusive) license for the use of the Licensed Software.
